

October 5, 2007

Oliver Products Company, innovators in meal packaging, invites you to participate in an exciting program. Oliver Products will loan cost-free an Oliver Model 1208, 1308 or 1908 heat sealer to package your meals based on the following criteria:

Customer responsibility:

Serial Number(s)

- Model 1208 - Minimum 40 meals per day. (blanket purchase orders accepted) _____
- Model 1308 - Minimum 75 meals per day. (blanket purchase orders accepted) _____
- Model 1908 - Minimum 500 meals per day. (blanket purchase orders accepted) _____
- Pay inbound shipping and handling charge on loaned heat sealer net 30 days.
- Purchase Oliver supplied paper or plastic heat sealable trays and film at the minimum levels
- Complete credit application
- Term of loaned equipment shall continue as long as customer purchases Oliver supplied trays/film. Customer to return loaned equipment within 15 days upon ceasing to use Oliver supplied trays/film.
- Customer is responsible for all unused trays/film upon ceasing use of loaned heat sealer as well as freight costs necessary to return equipment to Oliver Products Company.
- Customer to notify Oliver with heat sealer concerns by calling 1-800-554-5603 24 hours per day, 7 days per week.
- Customer shall obtain and maintain property insurance and name Oliver as an additional loss payee.
- Maintain reasonable care of heat seal equipment. Reasonable care consists of regularly following the maintenance steps listed in the machine manual and maintenance checklist. In cases of misuse or abuse to loaned equipment, repairs may be charged to customer.

Oliver responsibility:

- Purchase price for paper or plastic trays according to the current Senior Meals price lists
- Trays/film shipped F.O.B. delivered; fewer than 8 case orders, subject to freight charges (other terms and conditions apply) - Payment Terms are net 30 days
- Oliver shall retain ownership of the heat seal equipment. Oliver shall repair and maintain loaned heat seal equipment at Oliver's expense when the machine has been kept in reasonable care.
- Oliver shall provide user friendly set up instructions for the 1208 and 1308
- Oliver shall set up and train staff on the 1908
- All shipments are subject to Oliver Products Terms of Sale provided on order acknowledgements
